Route: Birds, Bees, Flowers, Trees

3.8 Miles

West on San Antonio

Right on Del Mar

- Just after Avery and before Virginia Vistas gated community there will be an entrance on the **left** side into the nature center. Look for the end of the wood fence
- The entrance is a small gate leading into the nature walk
- Be careful walking down the short dirt hill to the walking path
- Follow dirt/gravel road keeping to your right
- Take the first **left** onto the dirt path that leads to the newly built rest area
- Turn **right** at rest area and follow dirt path along side the reservoir
- Enjoy the view of the flowers!
- U-turn at the metal platform on your right side that looks like a large diving board marked 18' to 30' (someone should yell "mark twain!")
- Double back on dirt path and exit out of nature center

Left on Del Mar

Keep to your left and follow loop the Cliff May homes
